MISSION-READY INFRASTRUCTURE & MATERIAL INTEGRATION

P-22 Corp Construction Material Solutions LLC is a premier minority-owned strategic Material Solutions Integrator for U.S. Federal, State, and Local Government Agencies. We specialize in streamlining the procurement of diverse operational assets from high-voltage electrical infrastructure and commercial building materials to facility maintenance supplies (MRO). Rooted in over 60 years of combined executive leadership from global OEMs and top EPC firms, we eliminate supply chain bottlenecks and deliver precision, FAR/TAA compliance, and rapid 24-hour turnaround on federal solicitations.

CORE CAPABILITY CORRIDOR	FEDERAL OPERATIONAL SCOPE & SPECIFICATIONS
Division 26 Electrical Apparatus & Grid Distribution	Medium Voltage (MV) switchgear, transformers, industrial wire, conduit, breakers, safety switches, and panelboards compliant with IEEE/ANSI standards for utility, military base, and institutional infrastructure.
Commercial Construction Materials & Hardware	Comprehensive building envelope materials, heavy civil hardware, strut systems, grounding equipment, fasteners, and specialty construction components engineered to federal project specifications.
MRO & Preventive Facility Support	Mission-critical Maintenance, Repair, and Operations (MRO) consumables, industrial safety equipment, tools, electrical replenishment, and expedited replacement parts for active installations and federal facilities.
Rapid Logistics & Emergency Mobilization	Centralized Dallas-Fort Worth logistics hub providing expedited freight, consolidated palletizing, multi-site delivery tracking, and 24-hour emergency mobilization for simplified acquisitions and BPAs.

OFFICIAL NORTH AMERICAN INDUSTRY CLASSIFICATION (NAICS) MATRIX

CODE	DESCRIPTION & STATUS	CODE	DESCRIPTION & STATUS
423610	Electrical Apparatus & Wholesalers (Primary)	238210	Electrical & Wiring Contractors (Secondary)
236210	Industrial Building Construction	236220	Commercial & Institutional Building
423840	Industrial Supplies Merchant Wholesalers	423710	Hardware Merchant Wholesalers
561210	Facilities Support Services	541614	Logistics Management Consulting
423690	Electronic Parts & Equipment Wholesalers	444180	Other Building Material Dealers

OPERATIONAL DNA & EXECUTIVE LEADERSHIP

While P-22 Corp is an agile, responsive entity, our operational DNA is built on over **60 years of combined executive leadership** from global Original Equipment Manufacturers (OEMs), international EPC infrastructure firms, and Tier-1 public accounting. We do not simply resell catalog items; we understand the engineering, compliance, and fiscal rigor required by federal buyers.

EXECUTIVE	BACKGROUND & TECHNICAL DOMAIN
Pedro Felipe PMP Managing Director & Power Systems Lead	Over 15 years of specialized engineering experience in Medium Voltage (MV) Switchgear, power distribution, and grid modernization. Former Commercial Manager for large-scale EPC firms managing IEEE and ANSI compliant infrastructure for national utility grids. Direct executive line for contracting officers and prime contractors.
Eduardo Lopez VP of Operations & Supply Chain	Offers 36 years of executive experience in heavy equipment logistics, OEM dealer networks, and multinational mining supply operations (former Regional Manager for Case Corp). Expert in technical sourcing for hard-to-find components, high-volume freight mobilization, and equipment maintenance lifecycles.
Marleni Mendez Finance Officer & Compliance Lead	Former Senior Auditor for Grant Thornton with deep expertise in GAAP compliance and internal controls. Oversees P-22 Corp's fiscal operations, ensuring DCAA-compliant accounting, FAR financial governance, and precision Wide Area Workflow (WAWF) invoicing workflows for seamless prime and subcontract administration.

FEDERAL DIFFERENTIATORS & COMPLIANCE RIGOR

TAA & Buy American Act (BAA) Adherence: All critical electrical and structural components are verified for country of origin, ensuring strict compliance with FAR Part 25 and Trade Agreements Act mandates.
24-Hour Solicitation Response Desk: Dedicated government estimating team ready to turn around RFPs, RFQs, and sources sought notices with technical precision and transparent pricing.
DFW Staging & Expedited Mobilization: Strategically located Dallas-Fort Worth logistics hub offering consolidated freight staging, palletizing, and emergency delivery protocols across Texas and nationwide.
DCAA Readiness & WAWF Invoicing: Rigorous internal controls and active registration in Wide Area Workflow (WAWF) eliminate billing discrepancies and accelerate close-out procedures.

PROCUREMENT INTAKE & SOLICITATION SUBMISSIONS

FAST-TRACK INTAKE FOR CONTRACTING OFFICERS & GENERAL CONTRACTORS: Send solicitations, RFQs, or material schedules directly to our Dallas Estimating Desk for immediate takeoff and quotation within 24 hours. Direct Phone: 1-888-722-2675 • Emergency Bids: bids@p22corp.com • Web Portal: www.p22corp.com/capabilities
